Our Roast Pork is completely homemade. We use only top-choice pork and bone the meat right on the premises. The pork is seasoned according to an old family recipe and is roasted in our commercial ovens daily. Try a real homemade roast pork sandwich.

John's Roast Pork (also known as John's Lunch, The Snyder Avenue Lunch Bar, and The Shack) has been on the corner of Weccacoe and Snyder Avenue since 1930 and has been a family business for three generations.
